

If you are concerned about your mortgage payments and may be facing foreclosure, or if you are already in foreclosure, there are resources available to you. Following are three informative links about programs and services, plus a report issued by the State of Ohio. If you wish to pursue mediation, you can find information about foreclosure mediation through those links. General information about mediation may be accessed through the associations listed below.

PROGRAMS AND REPORTS

US Department of Housing and Urban Development – Foreclosure Resources
